*REMEMBER*

*Remember, on Remembrance Day we thank the ones. Who had to  
leave their daughters and sons.*

*Remember, that some get letters  
Some are sad  
Saying they lost their mom or dad.*

*Remember, to thank the soldiers for being so brave  
Thank them for the lives they gave.*

*Remember, we are quiet for 2 minutes of silence  
To thank the soldiers that ended the violence.*

*Remember, we wear a poppy oh so red  
To respect our soldiers that are dead.*

*Remember, in the fields stand many crosses  
To represent a world of losses.*

*Remember, that though we don't know every name  
We thank all soldiers just the same.*

*Remember, nothing that we try to do  
Will equal up, to what the wars put them through.*

*On the 11<sup>th</sup> hour  
On the 11<sup>th</sup> day  
Of the 11<sup>th</sup> month, November  
This is the day we all have to...*
