Two Minutes of Silence

Two minutes of silence
I pause and I pray.
Two minutes of silence
To honour that day.

Two minutes of silence
For the anguish among men.
Two minutes of silence
For the hardship back then.

Two minutes of silence
For lives that are no more.
Two minutes of silence
It will haunt them to the core.

Two minutes of silence
Too busy some say.
Two minutes of silence,
Make time every day!

Two minutes of silence
For the ultimate cost.
Two minutes of silence
For holidays and memories lost.

Two minutes of silence
We must never forget.
Two minutes of silence
For Colonel to Cadet.

Two minutes of silence
Heroes killed in less time.
Two minutes of silence
Such a powerful sign.

Two minutes of silence
Our hearts and thoughts unlock.
Two minutes of silence
Tick tock, tick tock.
